

FOR IMMEDIATE RELEASE

IT'S TIME FOR SINGAPOREANS TO SAY GOODBYE TO ICONIC SINGAPORE FIXTURE, THE FISH & CO. GLASSHOUSE

Dear Friend of Fish & Co.,

We shed a tear as we write this...After almost 14 years, Fish & Co. @ Glasshouse is due for permanent closure in June 2016 due to redevelopment works by Park Mall. The details of the redevelopment project are still bubbling under, but the Fish & Co. team is sad to confirm that the iconic building and outlet that has played a part in everyone's school day and birthday celebrations will be gone soon.

The Fish & Co. outlet which is affectionately called the Glasshouse due to its outstanding full glass structure is located right beside Park Mall. With 300 seating capacity, an elaborate nautical décor, and a LIVE band, the Glasshouse is also the most popular Fish & Co. outlet.

Over the many years, Glasshouse has seen countless events take place within such as company dinners, team bonding sessions, private closed-door events, wedding proposals, baby showers and more. Most notably, how can we forget all the birthday celebrations! If you have gone to school in Singapore

(be it Secondary, JC, Poly or Uni), chances are, you have celebrated a classmate's birthday at the Glasshouse at least once where all the staff are on deck to "sabotage" the birthday celebrant.

We remember those days, and we have tonnes of polaroids to remember the occasions. So before the Glasshouse closes for good, we would like to relive and recreate those memories with the public - memories of birthday, gatherings, anniversaries or simply any happy occasion.

From now till June, we have lined up a whole list of activities to invite everyone back for a last chance to dine at Fish & Co. Glasshouse. It could be any events or celebrations. Enclosed is a list of all the monthly activities that will lead up to the eventual closure (pause for a ***sniffle***) which we hope you can help us spread the word.

We have also designed a special activity chart for you (see accompanying pdf attachment).

This is it, Fish & Co. Glasshouse is coming to an end and we hope to have everyone join us on the last leg of our journey.

Love,
Fish & Co.
